May 15, 2020

Dear Brothers and Sisters,

As announced, all construction projects are able to open as of Tuesday May 19, 2020. I expect that our members will make decisions regarding return to work based on their personal circumstances. Please do not take unnecessary risks.

Members can sign into the Local 46 website and submit the Journeyperson or Apprentice Dispatch request form. All dispatch slips will be e-mailed to members. Alternatively, you can call or e-mail the Dispatch department dispatch@ualocal46.org (for Journeypersons) or the Training Department itacoffice@ualocal46.org (for Apprentices). We will process requests as quickly as possible, however due to the volume of requests being received we may experience some delays and appreciate your patience.

Please note you must provide your Dispatch slip to your Foreman when starting the job. You can either print the slip and provide it or email it to the Foreman.

Fraternally,

Robert Brooker
Business Manager
