Dear Brothers and Sisters,

As you are aware, the Local Union Elections were postponed due to COVID-19. With the gradual reopening of our City, we hope to hold the elections in the upcoming months.

The Election Committee and President will be working within the guidelines mandated by the Constitution, the Election Guidelines and the Local 46 By-Laws to set a date for the election. The process will have its challenges and adjustments will be required however I have every confidence they will rise to the occasion.

Please watch for more information from the Election Committee in the coming weeks.

Best Regards,

Robert Brooker
